WERNER BENSCH

Serial No.: 10/586,946/

Filed: August 23, 2006

For: SEMICONDUCTOR STRUCTURE COMPRISING ACTIVE ZONES

Group Art Unit: 2811

Examiner: S. Hu

REQUEST FOR CORRECTION OF PG PUB.

Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

PG Pub. No. 2007/0158659 shows the name of the inventor for the above-identified application to be "Walter Bensch."

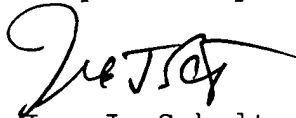

The correct name of the inventor is "Werner Bensch." The correct name appears on the filing receipt for this application, as well as on the Notice of Publication and on the most recent Office action. Hence, the incorrect name appears only on the published application and the error is entirely the fault of the United States Patent and Trademark Office.

Since this request is made more than two months from the date of the patent application publication, republication of

the application is not requested. However, the incorrect name appears in the public database of the United States Patent and Trademark Office AppFT.

Applicant therefore requests correction of the database to reflect the proper name of the inventor.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Ira J. Schultz', with a stylized flourish at the end.

Ira J. Schultz
